"Throughout my teaching career, I worked with families who were struggling to get past what they considered to be the "stigma" attached to having a child with different needs. Although early intervention is so important, support, funding, availability of services, red tape, and emotional barriers were difficult to navigate. From the moment Jeff and I became aware of this amazing organization, we knew that we wanted to help in any way we could to assist Imagine! in fulfilling their mission. We are fortunate to be a part of this!"

Judy Gass is a retired teacher. Judy and her husband Jeff, who runs Ideal Promotions Advertising Specialties, are avid Imagine! volunteers.
