

## School Age Services

January 2021

Dear Families,

We are looking forward to another year of summer fun with the kiddos! Even though the structure is dependent what Center for Disease Control (CDC) and State safety regulations will look like come June, we are excited to be able to offer high quality services. Attached you will find Summer Camp documents including:

- School Age Service Handbook
- Group Participation Risk Assessment
- Summer Camp Registration Form (Word or PDF)
- Children's Services Permission Form Packet
- Participant Information Form
- School Age Services Summer Calendar 2021

Please note that even though you may have already filled out these forms for After School Program or last year's Summer Camp, we still need ALL of the updated forms completed and sent back to us for this upcoming summer. **Be sure to read all of these documents very carefully as there is new information on services, guidelines, and protocols for the program. Registration will not be considered "complete" until all required documents are returned.**

We will be providing updates on the Summer Camp plan and structure via our monthly newsletter. If you have questions in the meantime, you can call us at 720-413-4716 or e-mail us at [schoolageservices@imaginecolorado.org](mailto:schoolageservices@imaginecolorado.org).

We are looking forward to another wonderful summer together!

Thank you,
